This social media, mega-business, V Network International, is the only business that gives you and your members the A-Z of creating, building, and then **EXPLODING** a small business. Match that with the fact that we are the only program that is supported by a **full service call center**, giving you access to your very own **PSI agent**.

*Your Personal PSI Agent is YOUR Business Building Professional*

You can add a PSI agent along with The Ultimate Feeder, the only true down line building system available. But I'm jumping ahead. First, ...

There are two ways to Purchase the **V Network International Internet Franchise**.

The first way is to upgrade at \$299.95 plus \$100 set up fee to purchase a **Premium Internet Franchise**. You gain instant access as a full Internet Franchise owner in option number one.

You also get the full \$5,000 reward bonus when you purchase at \$299.95

OR

The second option is to allow members with less cash to **leverage their position** and get a **full Internet Franchise** for less money. We have named this *option the Choice Duplicator A and B* and you can join for \$49.99 A or \$99.99 B and be placed as a fully paid **Internet Franchise owner** in a 3 to 12 weeks time frame.

How we do this is easy. We have a Max Duplicator Position for every member in the program.

All the commissions the position earns are placed into the Max Duplicator pool to offset members in the *Choice Duplicator or the Ultimate Feeder*. We take all the fees paid in the Choice Duplicator plans A and B and leverage as many as possible, then we add the Max Duplicator pool funds to pay in the rest at the full price of \$299.95.

Once your **Choice Duplicator Plan** fills, you not only get your own fully paid turn-key **Internet Franchise** you also get a **Position** in the 1<sup>st</sup> **Premium Business Center**. You can use the **Choice Duplicator Plans A and B** to gain a position in the **Plan 1 Premium Business Center** or **The Plan 2 Elite Business Center**. You also must make sure there are positions available and that you understand that it can take between 3 to 12 weeks to graduate these leverage plans.

**This opportunity spells success for everyone!**

## The **Choice Duplicator Plans A and B**

### Choice Duplicator Plan A - \$49.99

Your Referral Joins the **Choice Duplicator A** at \$49.99.

When **8 members** are placed in your business you are qualified, and you advance to the Business Center. **Only 1,000 members** can join this plan at one time.

*Members Graduate Faster  
at 3 to 6 weeks only*

Plan B - \$99.99

### The Choice Duplicator Plan B

Your Referral Joins the **Choice Duplicator B** at \$99.99

When **4 members** are placed in your business you are qualified, and you advance to the Business Center. **Only 1,000 members** can join this plan at one time.

The **Choice Duplicator** uses the power of **Duplication and leveraging** as one powerful package for you to **GROW Your Money Faster**.

We keep saying **V Network International** offers you **BIG MONEY**.  
Well, let's find out how - and how much!

Again, the company **PSI supported compensation plan** moves you through *The Pay Plan*, with little additional effort on your part! As a **free Associate Member**, you will have access to our **Social Media Web Site, VEEPnet.com**. You can choose to upgrade to a **Premium Internet Franchise owner** and will be placed in the **8 Level Business Center**.

We think there is no plan that can match what we do and how we do it. It has taken **5 years** and **\$10 million** to build this impressive system. We knew it would not be easy to create a plan that would **change the way marketing is done**; but we have done exactly that. You will never have to make another sales call with your **PSI pro sales agents making calls and closing your sales**. On top of that, our **Social Network Web Site, VEEPnet.com** will add to your business and the rest is *history in the making*.

Some members may be invited to join through **The Ultimate Feeder** our last option to get your own **Internet Franchise** but this option while **FREE to get your position** has some limits. You cannot be referred to this plan by a member and fall under them. All members are **placed by V Network International** and the company is their referrer. **The Ultimate Feeder members** also do not get the fast start bonus for their first 3 referrals, and they **must have 3 referrals or upgrade to PSI in 30 days** or lose this position and option. We have The Ultimate Feeder queue, the members wait in for the 30 days and are notified of the action needed to advance to the **Premium Business Center**.

Are you concerned about your down line earning money fast, too?

Don't worry - They DO!!

Your referrals automatically follow you into the **1<sup>st</sup> Business Center** and fall under you, and any other placement such as The Ultimate Feeder positions. Each person comes into the Plan 1 Premium Business Center get paid \$20 just like you, even if they're not your referral.

Now that is a great plan.

Thanks to the beauty of this plan, you seamlessly move from the **1<sup>st</sup> Premium Business Center** to the second in 6 months or sooner if you choose.

The 10 slots in the Premium Business Center Plan will allow **you earn from all 10 Business Centers simultaneously**. Think how much money you could make with **10 Business Centers** paying you all at once. **Now this is what you call Opportunity...**  
**Wait You get MORE!**
